

# Flag Race

“Flag Race” is an individual, handicapped, stroke play tournament. Each participant is assigned a flag and a number of strokes, equal to the sum of their handicap plus 71. Players proceed through the course until they have reached their assigned number of strokes, at which point they plant their flag where the ball has come to rest on their final stroke. The participant whose flag has made it the farthest through the course is deemed the winner.

All other normal HMGA rules apply.

Points awarded:

Winner – 100 points

2<sup>nd</sup> - 50 points

3<sup>rd</sup> – 25 points

Participant – 10 points
